

Railroad Street Youth Project Project Proposal Form

Our mission is to empower young people by creating youth-generated activities that build self-worth, responsibility, and intergenerational communication.

The purpose of this form is to provide basic information for the Railroad Street Youth Project to determine its level of involvement in proposals. People, young and old, provide us with ideas on an almost daily basis. You can present a written proposal separate from the form, but please include the information we seek in this format.
